Sustain your savings across generations

John

(1st policy owner)

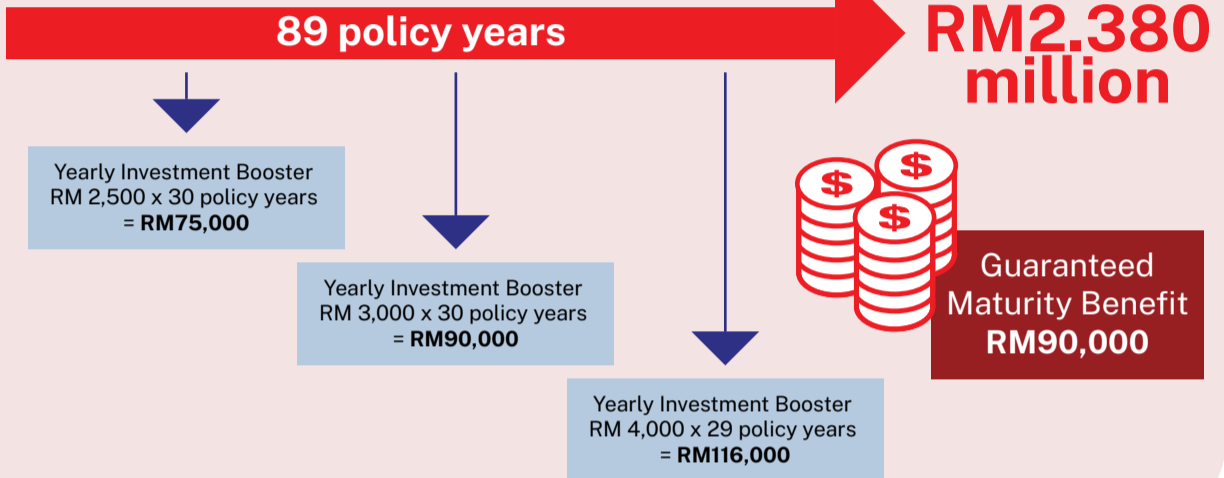

John, 40 years old, wants to leave a legacy for his son, Alex who is 1 year old, and for future generations. He signs up for GREAT Multi-Gen Wealth with:

- Premium payment term of 5 years
- Basic Annualised Premium of RM20,000 (amounting to total premium paid of RM100,000)
- Coverage term up to age 90

Alex

(2nd policy owner)
John's son
ANB 1

18th policy year

At age 19, Alex becomes new PO under the vesting clause

40th policy year

At age 41, Alex appoints his wife Ava as APO and his son Lucas (age 4) as SLA

50th policy year

At age 51, Alex passes away due to an accident. Ava becomes new PO and Lucas becomes new LA

55th policy year

At age 19, Lucas becomes new PO under the vesting clause

89th policy year

At age 53, Lucas receives the maturity benefit of the policy. He plans for early retirement and also sets aside RM300,000 as his child's education fund

One policy, multiple generations

John

1st generation

Alex

2nd generation
(child)

Ava

(Alex's wife)

Lucas

3rd generation
(grandchild)

Notes:

- The projected total cash value refers to the returns which consist of guaranteed cash value and non-guaranteed total investment values. The total investment values are based on high scenario (5% p.a.) of projected gross investment returns of the customer's chosen investment-linked fund(s) – 100% Lion Fixed Income Fund, with yearly premium payment mode. Please note that the projected total cash values are not guaranteed.
- The ages mentioned in the illustration refer to age next birthday.
- The above is for illustration purposes only and is not indicative or construed as likely returns.
- Terms and conditions apply.
